

Ivana Molina Awarded NASA Fellowship | Physics

06/15/2017

USU Physics doctoral student Ivana Molina, left, pictured with faculty mentor Ludger Scherliess, is one of nine scholars selected nationally for a prestigious 2017 NASA Earth and Space Science Fellowship in heliophysics research.

Ivana Molina, a doctoral student in USU's Department of Physics, is one of nine scholars selected nationally for a 2017 NASA Earth and Space Science Fellowship in heliophysics research. The three-year fellowship provides up to \$45,000 per year to cover tuition, fees, student expenses and travel. [Read more.](#)
