

30 Years of Physics Fun

05/23/2019

Excited Sky Drop

participants hope their egg will survive the fall from Lagoon's SkyCoaster.

USU's Department of Physics, Lagoon amusement park, and participating schools celebrated the 30th anniversary of Physics Day at Lagoon on Friday. Rainy weather didn't dampen the competitive spirit of participants in the Sky Drop, Logo Design, Accelerometer, Ride Design, and Physics Bowl contests. More information is available at:
