

COVID-19 STANDARD OPERATING PROCEDURES

| Program: | PI/Lab Director |
|-----------------------|-----------------------------|
| Contact name: | T.-C. Shen |
| Contact email: | tc.shen@usu.edu |
| Contact phone number: | (435) 797-7852 |
| Room numbers: | SER-004, 006, 010, 012, 115 |

SPACE AND EQUIPMENT SAFETY

- All equipment will be wiped with disinfectant after each lab session.

PERSONAL HYGIENE AND PPE

- Everyone will rub alcohol on hands when entering the lab.
- Facemask and face shield are required in the lab.
- Additional cleanroom attire is required in the cleanroom.
- No more than 4 people will be present in each room at any time.

STUDENT HEALTH

- No one with even mild symptoms or potential exposure should enter the lab.
- If anyone is infected and has been in the lab, please contact Dr. Shen and USU Risk Management. A shutdown and deep cleaning will be implemented in the lab and students who have been exposed should be quarantined for a 14-day period.
